The team also visited the **SRC Executives of the University of Cape Coast**, led by the **N.K. Ntim administration**, as part of efforts to strengthen relationships with key stakeholders within the university community.

The Pizzaman Chickenman delegation was led by **Emmanuel Akuoko, Marketing Head of the brand**, who emphasized our commitment to engaging communities, building meaningful partnerships, and bringing great food experiences closer to our customers across the country.

Food Replacement Policy

At Pizzaman Chickenman, we care about your satisfaction and aim to ensure fairness in handling all concerns. The following policy applies to orders placed through the Chris B App:

1. Customer Preferences

- Customers may use the Notes Section on the Chris B App to specify additional meal preferences before placing an order.

2. Replacement Eligibility

- If there is an issue with your order (e.g., taste, portion size, or number of chicken pieces), the affected meal package must be returned in its current state and made available for collection or return.
- A replacement can only be requested if the returned package is assessed and the claim is confirmed as valid.

3. Assessment Process

- Our team will assess the returned package to verify the claim.
- If the claim is valid, a replacement will be issued.

4. Non-Eligibility

- If the package has been disposed of or consumed, a replacement cannot be processed.
- Without the original package, we are unable to validate claims or provide replacements.

5. Policy Principle

- The process is based on fair exchange: **a package must be returned in order for a replacement to be granted.**
